Good Morning Eugenia,

Mike shared at the ADs meeting that they were anticipating a letter from CalEPA (Jarod) requesting that we list the Exide site. I do not recall that we put together briefing materials but maybe Mindy does.

Mindy and Will,

John just called and said that we may be moving ahead w/this site. He mentioned that you had prepared some briefing materials 6+ months ago? Could you please forward when you have a chance so that I can get up to speed?

Thanks,
Eugenia
